Postgraduate and Research Department of Computer Science
Farook College
MCS4C02 (Pr) Project Work

<u>Evaluation (Phase I) Criteria</u>

No	Criteria	Grade Points
1	**Problem Definition**	**25**
1.1	Review of the literature / products / systems	10
1.2	Analysis and observation (based on the previous works)	5
1.3	Identification of the need	5
1.4	Problem definition	5
2	**Report of Phase I**	**5**
2.1	Organization of the contents of the chapters	1
2.2	Quality of content preparation	3
2.3	Adherence to IEEE style for references and citations	1
3	**Quality of Presentation**	
3.1	Correct (free from spelling, grammar and punctuation errors), clear and concise slides	
3.2	Adherence to IEEE style for citations and list of references	
3.3	Clear and structured oral presentation	**5**
3.4	Familiarity with the topic including current research findings	
3.5	Optimal use of visual media	
3.6	Time management	
Total		**35**
